Penny the Pig Lyrics

(Written by Peter Cupples)

Oink oink oink, oink oink oink, oink oink oink
Rolling in the mud

Rolling in the mud is a lot of fun it's something that I learnt from my dad and my mum, and when I get all dirty and I'm hard to see just listen to my sound and you'll know its me

I go oink oink oink, I go oink oink oink listen oink oink oink
When I'm rolling in the mud, oink oink oink, oink oink oink, oink oink oink, rolling in the mud ... I like rolling in the mud it's so much fun!

Now when it comes to dinner we like it to be mush
We stick out nose right in it and turn it into slush
Some say we don't have manners and that we are a mess
But I wouldn't change a thing cause pigs are BEST!

We go oink oink oink, we go oink oink oink, yeah oink oink oink,
when we're rolling in the mud, let's go oink oink oink, oink oink oink, oink oink oink
rolling in the mud

Now isn't that fun, now you try it, rolling in the mud it's really lots of fun, its something you can do with your dad and your mum, and if you get all dirty and you're hard to see just tell everyone you've been playing with me

And we go oink oink oink, oink oink oink, oink oink oink
When we're rolling in the mud, everybody!
Oink oink oink, oink oink oink, oink oink oink, rolling in the mud,
Oink oink oink, oink oink oink, oink oink oink, rolling in the mud
Oink oink oink, oink oink oink, oink oink oink, rolling in the mud
Rolling in the mud..... that's my favourite thing

Harriet the Horse Lyrics

(Written by Peter Cupples)

Harriet is a horse of cause who really loves to run
She's as fast as a motor bike and a lot more fun
Watch your run run run, Harriet run run run
She just keeps on running all day long
Let's all run run run like Harriet run run run
And we'll just keep on running all day long,

Now all the other animals love to gather round
And watch their friend Harriet stomp on the ground
Watch her stomp stomp stomp Harriet stomp stomp stomp
She just keeps on stomping all day long
Let's all stomp stomp stomp like Harriet stomp stomp stomp
And we'll just keep on stomping all day long,

Now when night has come ,and all is done
And everyone's asleep Daisy Charlotte Penny and Shirl
Doris and bopeep, Harriet dreams of funny things
Like what horses do for fun, not walking talking or riding bikes
But going for a run, watch her run run run Harriet run run run
She just keeps on running all day long
Watch her stomp stomp stomp Harriet stomp stomp stomp
She just keeps on stomping all day long
Let's all stomp stomp stomp like Harriet stomp stomp stomp
And we'll just keep on stomping all day long
let's all run run run like Harriet run run run
And we'll just keep on running all day long
And she just keeps on running so we'll just keep on running all day long.

Shirl the Sheep Lyrics

(Written by Peter Cupples)

My name is Shirl and I'm a sheep, I've got lots of spring in my feet
I jump and jump and jump all day, and that's my favourite game I play,
Come
on now jump jump jump come and jump with Shirl
Baa baa baa let's do it boys and girls, jumping is a lot of fun for everyone

One thing you should know about a sheep
That even though we have got little feet
We can still jump high up in the sky
And talk to birds as they go flying by
Come on now, jump jump jump come and jump with Shirl
Baa baa baa let's do it boys and girls, jumping is a lot of fun for everyone
Jump jump jump come and jump with Shirl
Baa baa baa let's do it boys and girls, jumping is a lot of fun for everyone

Now have you ever seen sheep on a farm
If one jumps all the others jump along
Well maybe you can try it with your friends
Let one start then the others join on in
Come on now, jump jump jump come and jump with Shirl
Baa baa baa let's do it boys and girls, jumping is a lot of fun for everyone
Come and jump with Shirl

Mrs Mac in the Kitchen Lyrics

(Written by Peter Cupples)

Mrs Mac is working in the kitchen
Mixing up another batch of cookies
With flour from the grain that Farmer Mac is growing
Eggs from Charlotte, milk from Daisy
Mrs Mac she goes stir crazy
Stirring, stirring, stirring the mixing bowl
Plop them plop them plop them into little moulds
Waiting waiting waiting we can't wait 'cause they smell great
Yummy yummy yummy pop them straight into our tummies

She gets a spoon and passes it to Charlotte
and tells her that it is time to beat the eggs
Add a little milk, add a little flour put them in the over for one
hour
Let's all go and stir with Mrs Mac

Stirring, stirring, stirring the mixing bowl
Plop them plop them plop them into little moulds
Waiting waiting waiting we can't wait 'cause they smell great
Yummy yummy yummy pop them straight into our tummies

Now everyone is watching through the window
They love the smell that's coming through the door
They rub their tummies Yummy Yummy
They all feel so very hungry
Watching Charlotte helping Mrs Mac

Stirring, stirring, stirring the mixing bowl
Plop them plop them plop them into little moulds
Waiting waiting waiting we can't wait 'cause they smell great
Yummy yummy yummy pop them straight into our tummies
